Subject: Patent matters

Dear Suneet,

As you know, Jordan has left BSTZ and has transferred the responsibilities for AppStream patent work to me. I've been with BSTZ for over 9 years, and this is my 4th year as a partner here. I specialize in patent prosecution (US and foreign), patent validity and infringement analysis, IP due diligence, and strategic IP counseling for start-ups and industry leaders, with emphasis on software, networking, communications, business methods and computer architecture. Prior to becoming an attorney, I worked as a software developer and a database administrator for 9 years. You can find more information about my experience at www.bstz.com. Also, please feel free to call or email me with any questions you have.

Below is a list of outstanding matters for which we need to prepare a response within the next few weeks. Please let me know when would be a good time for me to call you to discuss these matters.
